

american board
of professional psychology

Our current application procedures have changed

Please click here to complete the new

Online Application

Please note:

- You will want to print the first page of the application as this is the instruction page.
- You will be asked to upload documents during the application process. For a more seamless process, you will want to have these items downloaded to your computer, prior to completing the application.

**Any questions, please contact the central office at
office@abpp.org or 919-537-8031.**
